Legend has it, that Metawampe will drop his spear when the first virgin graduates from U. MASS.

Welcome to our University, one of the best and most respected universities in the country.

All of us are pleased that you have joined our campus community. We hope to see you often.

Throughout your orientation and during the first weeks of classes you have been properly introduced to the academic side of the campus. It is our purpose to show you the extracurricular end of campus life. Indeed, many of the out of class activities are as important as classes themselves and are an integral part of your university education.

In this Freshman Register we have compiled a great deal of information about the campus for your permanent reference. One of the most important sections of the Register, however, is the pictorial directory of new students. During your college years it will help you to learn names and faces and will assist you in establishing friendships. It will enable upperclassmen and campus organizations to become acquainted with you.

We're sure you'll find the Register useful. If you have any comments on the book we will be anxious to hear from you.

Welcome again to our campus community.

OFFICE OF THE CHANCELLOR
WHITMORE ADMINISTRATION BUILDING
AMHERST, MASSACHUSETTS 01002

Each year the University is fortunate in having its pool of talent and enthusiasm replenished by its new freshman class. As we look forward to this academic year, it is with the anticipation that much of the year's activity in both the campus academic and social arenas will reflect the fresh thoughts and energies of the new members of our community. For this reason we are grateful for this publication and for the opportunity it provides us to acquaint ourselves with the members of the incoming class.

It is my privilege to extend to each of our new freshmen a most cordial welcome to our campus. Just as its predecessors have before them, this freshman class is certain to make contributions to this academic environment which will have a positive, long-range impact on the overall educational process of the University.

I hope to have the opportunity to meet many of the new students personally, and provide whatever assistance I can to make their experience at the University truly fruitful and challenging.

Randolph W. Bromery
Chancellor

HANDICAPPED STUDENTS

The Office of Handicapped Student Affairs (HSA) has established a number of resources which will be of interest to persons with physical disabilities. During the 1975-76 academic year there should also be increased opportunity for volunteer and paid jobs for persons wishing to become involved in the program.

Resources

For The Blind:

1. Reader's list: names of persons who are willing to read to visually impaired persons.
2. Closed Circuit TV (low vision aid): located in the University Library. The CCTV magnifies normal print up to 45 times.
3. Massachusetts Commission for the Blind: Residents of Massachusetts who are legally blind may apply for counseling and financial assistance through this agency.
4. Orientation to grounds and/or particular buildings can be arranged through HSA.
5. VIP's (Visually Impaired Persons): a group of college students from the Pioneer Valley and Springfield area. The group meets to discuss mutual problems and group activities.
6. Recreation: The UMass Outing Club has expressed interest in providing outdoor experiences for visually impaired students. BLIND (Blind Living In New Dimensions) is an organization in Franklin County which has developed a downhill skiing program. Other winter activities are available. (Note: contact HSA to make arrangements).

For The Deaf:

1. Interpretation for classroom and regular campus services by trained interpreters is available.
2. Tutoring services.
3. Classroom notes: available in duplicate or triplicate.
4. Personal Counseling and information on financial assistance: available in conjunction with the Massachusetts Rehabilitation Commission.
5. Speech Therapy and Audiological Testing: available at the Communications Disorders Clinic.

For Mobility Impaired:

1. Guide to Campus for Mobility Impaired: a description of functional accessibility of the campus, available through HSA.
2. Housing information: modifications of University Housing and suggestions and information about off-campus housing with handicap access are available through HSA.
3. Transportation: two modified vans provide door-to-door on-campus transportation. Off-campus transportation needs will be met on a selective basis.
4. Personal Assistants or Aides: HSA will assist persons in need of such support in finding appropriate personnel.
5. Handicapped students are entitled to preferential scheduling to insure assignment to classes in accessible buildings.
6. Registration: arrangements can be made to bypass registration procedures which take place in inaccessible locations.
7. Recreation: for those persons interested in wheelchair sports, HSA is a member of the National Wheelchair Athletic Association. The New England Handicapped Sportsman's Association has a chapter at Haystack Mt. in Vermont and Mt. Sunapee in New Hampshire. NEHSA has an extensive downhill ski program, with particular emphasis on Tri-track skiing. (Note: students wishing to enroll in Physical Education courses should not hesitate to contact HSA).

General Information:

1. Pre and Post admission counseling is provided to all physically disabled persons who request it.
2. HSA serves as liaison with the Massachusetts Commission for the Blind, the Massachusetts Rehabilitation Commission, and Veteran's Affairs. A full-time Massachusetts Rehabilitation counselor will be available on campus beginning in September.
3. Alpha Phi Omega is currently constructing an electrically operated cart for the mobility impaired, under the direction of J.W. Stryker (the designer/builder of the only other vehicle of this type known).
4. Alpha Phi Omega is hoping to initiate a taping service to benefit the visually impaired student.

Alpha Phi Omega

The National Service Fraternity
1925—Fifty Years of Service—1975

Friendship-Leadership-Service

The men of Alpha Phi Omega would like to extend to you their congratulations on your acceptance to the University, and to wish you well during your academic career here. We are looking forward to meeting and working with many of you.

As many of you may already know, Alpha Phi Omega is the world's largest fraternity, having over six hundred chapters throughout the United States and Puerto Rico.

Alpha Phi Omega was founded for the purpose of providing service to our fellow

man. Since its founding in 1925, APO members have contributed of themselves in thousands of service projects. Here at the University of Massachusetts, our chapter has a varied schedule of projects to which we devote our time each year. These include the Red Cross Blood Drive, support of the Peace Corps campus recruitment, removal of architectural barriers to the handicapped, support of the "A Better Chance" program, APO's Ride Board, and work for many of the national charities. Also, each year we put on

our famous mock gambling casino "Las Vegas Night", which turns the entire first floor of the Campus Center into a huge casino. Last year over 2,000 people attended, allowing us to donate over \$1600 to charities, bringing our total donations for the last year to about \$10,000 plus 2700 pints of blood donated in our blood drives.

Throughout the semester, of course, we have many social activities which include parties and picnics with the women of our sister sorority, Gamma Sigma Sigma, and our annual banquet. We are also active in the campus intramural program.

Relaxing after a long, hard summer-get-together on Thompson Lake, near Oxford, Maine.

As we are a service fraternity, and a tax exempt organization, thus having no house, our members live in the dormitories and off campus. *We feel that this gives all our members the independence and privacy so lacking in the traditional "Fraternity House."*

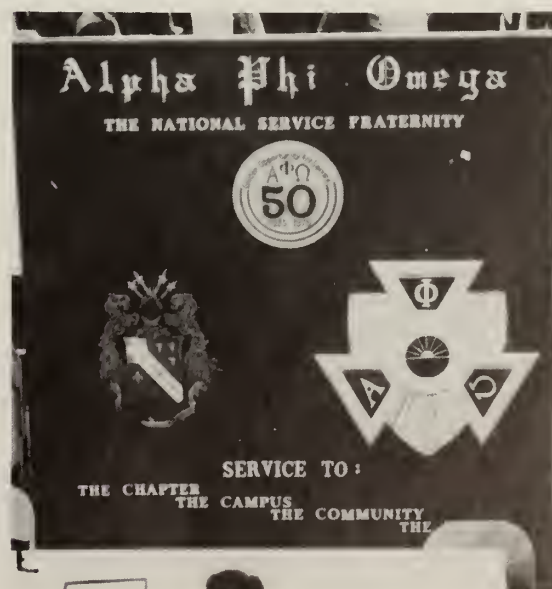

We feel that these reasons make Alpha Phi Omega a truly different and better kind of fraternity. If you are interested in taking a look at our fraternity, we will be having

Some of the over \$5,000 raised during an annual joint project with the brothers of the UConn chapter of APO.

GAMMA SIGMA SIGMA

The National Service Sorority

In 1953, representatives from eight universities gathered at Beekman Towers in Philadelphia to form a sorority based on the ideals of service to campus, community, and the world. The result of that meeting is the national service sorority Gamma Sigma Sigma.

The primary purpose of Gamma Sigma Sigma is "To unite college and university women in the spirit of service to humanity." In the past twenty years, Gamma Sig has grown from these original eight chapters to well over 120 undergraduate chapters, colonies and groups, as well as 35

alumnae chapters, colonies and groups. In the past two years, Gamma Sig sisters have united themselves in over 250,000 hours of volunteer service.

The membership of Gamma Sigma Sigma is limited only by the number of women willing to help other people. The only requirement is that you are willing to volunteer your time to bettering someone else's life.

University of Massachusetts chapter of Gamma Sig, though only 12 years old, has been consistently one of the outstanding chapters

nationally, a fact in which our sisters take great pride. In the past year alone, our 26 actives ran up a total of over 3,000 hours in the Amherst area, and an average of 59 hours per sister! That seems like a lot of time away from school work, but the national requirement for sisters is only 15 hours; for pledges, only 20 hours. And the hours pile up fast.

Some of the service projects undertaken by Alpha Theta (that's the UMass chapter's name) include used book sales twice a year, blood drives twice a year—these are the largest drives in Western Massachusetts with last year's total at almost 3,000 pints, work with Belchertown State School, local nursing homes, ushering for University Theater, Las Vegas Night with Alpha Phi Omega—the national service fraternity, Medic Alert drive, architectural barrier survey for the Office of Handicapped Students' Affairs and reading to the blind. There are also options open for individual service, which come in a variety of projects limited only by your imagination.

On the lighter side, GSS is all not work. There are social events held with APO, intramurals, sisterhood socials, and even social events held with other chapters.

UMass delegates at the last national convention, celebrating their tenth anniversary as a chapter.

Since Gamma Sigma Sigma is a sorority, there comes the question of HOW MUCH? The answer may surprise you: \$15 per year. This covers necessary expenses by national GSS, the printing, mailing and secretarial, and \$5 of every sister's dues goes into a travel pool to send chapter delegates to the national convention held every two years at a different chapter.

Alpha Theta has no house, as do social sororities, but this lets a sister's environment be as broad as she wishes. Gamma Sig is an interest, a pastime so to speak. A sister is not restricted in her activities simply because she belongs to Gamma Sigma Sigma.

We hope you are interested, because we are interested in you. If you wish more information, please contact Ellen Audette at RSO 314 in the Student Union, or drop by our office in Room 304 in the Union. If you prefer, just come by to chat. We have something to offer everyone!

SURVIVING ON CAMPUS AND IN THE AREA

On Campus—

While University Police will not usually arrest students for the use of marijuana, they will arrest you for cultivation of marijuana plants.

The highest incidence of crime at the University is theft. In eighty percent of the cases this occurs when the student's door has been unlocked. A stereo may be removed from your room in the time it takes to brush your teeth, so whenever you leave your room for any reason **LOCK YOUR DOOR.**

In Amherst—

No parking on streets December 1—April 1 between the hours of midnight and 6 a.m.

Pedestrian Crossings—State laws provide for a \$50 fine for not stopping for a pedestrian in a crosswalk.

In Massachusetts—

Cars which are registered out-of-state, which you keep on campus, must be insured at least equal to Massachusetts compulsory levels.

Motorcyclists must have either a windshield, safety glasses or a face shield; and must wear a helmet.

State laws forbid the bringing of any firearms onto campus. Also, if you are apprehended carrying any firearms in the state, even a bb gun, without a Massachusetts Firearms ID there is a mandatory one year prison sentence.

IF YOU MUST APPEAR IN HAMPSHIRE DISTRICT COURT AS A DEFENDANT

You should report to the Probation Office by 8:45 a.m. Do not leave court until the Clerk says you may go. When the Judge enters, stand up until he is seated. He will announce that all defendants have the right to a lawyer and explain the proceedings. When the Clerk calls your name, stand up. He will read the charges against you. If he asks if you have a lawyer, the charge carries a possible jail sentence, Children may be barred from the court. Make sure you obtain a copy of "Advice to Defendants in Hampshire District Court".

PLEADING

1. Not guilty: This may mean "I didn't do it." But, it does not matter whether you did whatever is charged or not! Pleading not guilty also means "I want time to talk to a lawyer or someone else." The Court might enter a not guilty plea for you, even if you want to plead something else, because the judge is concerned for your rights and knows that you need time. Most defendants are urged to plead not guilty at first.

2. Nolo: The Latin phrase "nolo contendere" means "I don't want to argue about it, it's all right with me if you find me guilty and make me pay a fine." The Court does not have to accept the plea of nolo.

3. Guilty: This means "I did it." It also means "No one must prove that I did it." Except for minor traffic violations this plea should definitely not be made unless a lawyer has talked to you first.

YOUR RIGHT TO A LAWYER

You always have the right to hire your own lawyer. If you are penniless and without property, and if there is a possible jail sentence for the charge against you, the Court must appoint a Public Defender for you without cost. You may obtain free legal counseling from the Legal Services Office. This is covered under your student fees.

BICYCLE LAWS

1. Ride single file
2. Ride with traffic
3. Make warning sound when approaching a pedestrian or another cyclist
4. Keep at least one hand on the handlebars
5. Brakes must stop the bike within 30 feet at 15 m.p.h.
6. Bicycles may carry only the number of people they have seats for
7. No bicycle may be towed by any vehicle
8. Must be equipped with a suitable bell or horn
9. Bicycles operated between one half hour after sunset and one half hour before sunrise must have a white front light, a rear red reflector and display on the lower portion of both sides of the front fork, on an area of about 5 square inches in each case, a marking of white, reflectorized paint, or reflectorized tape.
10. Accidents involving a bike and more than \$100 damages must be reported to the police.

Violation of any of the above provisions are subject to a fine of \$1 per violation.

Bicycles may be registered with either the University of Massachusetts Public Safety Department or the Amherst Police Department. This cuts down theft and helps to insure the return of stolen bicycles.

RAPE

The University Police maintain a RAPE line, seven days a week, 24 hours a day (545-2121). There is a policewoman available on call at all times. This line is for those individuals who do not want to sign a complaint, but who do want to give information to the police.

WHO COMMITS RAPE?

In the University and surrounding communities, rape is sometimes committed by men who knew the woman prior to the assault. *Rape is often planned.* You are more likely to be attacked by someone you know casually than by a total stranger.

Most rapes at the University have been committed primarily by students, not outsiders. Rapes are unfortunately often the result of hitchhiking.

WHAT ABOUT HITCHING?

Hitchhiking is dangerous. There is a strong link between hitching and violent crimes against women. *We urge you not to hitch.* If you do hitch against our advice, follow some of these rules:

1. Do not get into a car in which you will be outnumbered.
2. Memorize the license plate number for the duration of the ride.
3. Check for a door handle on the passenger side before getting into a car.
4. Make sure the car has license plates. If there are no plates or the plates are obscured (i.e., dirty or bent) do not get in.
5. When hitching at night, stand under a street light. The light will help you see the car passengers and decide if you want to accept the ride.
6. Don't hitch alone.

7. Before entering the car, check to make sure the man is wearing pants and that they are fastened.

But remember these precautions do not guarantee your safety.

WHAT KIND OF EVIDENCE DO THE POLICE NEED TO CONVICT A RAPIST?

Physical evidence is important in a rape case. Women who have been raped feel abused, humiliated, and dirty. A common reaction is to take a shower or bath and wash or destroy your clothing. *Do not bother yourself until you have been examined by a physician. Do not tamper with your clothing; give it to the police.* Physical evidence, such as the man's semen or seminal fluid, may be present on your body or your clothes. If the man did not ejaculate inside of you, he may have ejaculated on your clothing. Ripped clothing, such as a torn zipper in your jeans, can be used as evidence. Your underwear may also have traces of semen on them. (Clothing will be taken by the police and sent to the State Police Crime Laboratory in Boston for analysis.) Bruises and cuts are also admissible as evidence. If you have been injured, photographs will be taken and later introduced as evidence in court. Obviously time is of the essence in collecting evidence. If you delay, you lessen the chances of convicting a rapist.

1. When you leave your car, even for a few moments, remove the ignition key and take it with you. And don't leave the ignition switch in the unlocked position, if there is one.
2. Cars are often stolen simply to get the valuables in them. So don't leave any in open view. Lock them in your trunk.
3. Close all your windows tight. It'll make stealing that much more difficult.
4. Lock all your doors. 80% of stolen cars are unlocked.
5. Avoid parking in isolated or dimly lit areas. The more light and traffic around your car, the safer it is.

VOTING

Registering in Amherst

So to the Amherst registrar of voters in the town hall, and ask to register. It would be wise to bring some type of identification or proof of residence with you.

You will be asked to complete an affidavit of registration. This is a statement that you must swear to under penalty of perjury which says that you meet the qualifications and that the information contained in the affidavit is true and complete.

Registration is closed for a brief time just before each election to prepare the voting lists: 28 days before regular state primaries and state elections, 20 days before city or town elections or special primaries and special elections and 14 days before special town meetings. The law says you may register during this "closed period" and, though you will not be able to vote in the next election, you may vote in all elections after that.

Caution! Out of state residents who register to vote in Amherst may find themselves liable to: register your car in Massachusetts; pay Massachusetts Motor Vehicle Excise Tax; obtain a Massachusetts driver's license; and file Massachusetts Income Tax. If you are obtaining residency benefits from your home state, such as, scholarships or aid to the blind, registering to vote in Amherst may cause you to lose this aid. **CHECK YOUR STATE LAWS BEFORE REGISTERING**, as voting registration is non-cancellable.

Absentee Ballots

You may apply to your city or town clerk for an absentee ballot up to noon of the day **BEFORE** the election.

You may request an absentee ballot from your city or town clerk using any form of written communication including federal postal card. State your name, as registered, registration address, ward and precinct if you know them, precise address where you will be to receive a ballot. Those who are physically disabled must certify to that fact when applying and a ballot will be mailed to their home address.

VOTE and MAIL your ballot as soon as possible since the ballot must **ARRIVE** by close of polls, 8 p.m. on Election Day.

Fill out a ballot in the presence of a notary. Show him the blank ballot, vote privately in his presence, and have it notarized. Massachusetts notaries are prohibited by law from charging for this service. If you are unable to provide your own notary call Democratic or Republican headquarters, or your city or town clerk for assistance.

Ballot must be marked, notarized and *mailed* in a community other than your own unless you are physically disabled. Allow time for slow mail

MENU

Rib Eye Steak—a smaller steak that some consider to be the tastiest cut of all. Served with choice of baked potato or french fries, toast Bonanza-style, and salad. All for **\$1.99**

Top Sirloin—seven ounces of good eating beef. Dinner includes choice of potato, toast, and salad **\$2.59**

Sirloin Strip—half-pound steak for a meager price. Potato, toast and salad make this a hearty meal **\$2.89**

T-Bone—top-of-the-line dinner for a man-sized appetite. Piping hot potato, crunchy toast, and cool, crisp salad make this a meal-and-a-half **\$3.89**

Chopped steak—seven whole ounces of the finest chopped beef, grilled to your order and served with potato, salad, and Bonanza toast **\$1.69**

Chicken-Fried Steak—a beef cutlet dipped in batter and fried like chicken, then smothered with savory cream gravy. Served with french fries, salad, and bonanza toast **\$1.79**

Bonanza Ranch Steak—a new item that gives the eating quality of steak for the price of hamburger. Served with potato, toast, and salad **\$1.79**

Fish platter—golden-fried flounder filets served with tatar sauce, french fries, toast, and salad **\$1.89**

Fried Clam Dinner—delicious clam strips, toast, salad and french fries **\$1.99**

Bonanza Burger—a quarter-pound of good-eatin' served on a toasted roll with lettuce and our special sauce, french fries, pickle and raw onion. The best burger buy in town. Cheese 10c extra **\$0.99**

Child plate—a burger, fries, soft drink, and lollipop all for **\$0.49**

Plus a tempting array of deserts from 19 to 49c,
featuring our own cheesecake.
